

BUREAU OF ENERGY EFFICIENCY

(Ministry of Power, Government of India)

LETTER OF INVITATION

Applications are invited from Software Organizations for On-line Monitoring and Management.

The Government of India setup Bureau of Energy Efficiency (BEE) on 1st March, 2002 under the provisions of the Energy Conservation Act, 2001. The mission of BEE is to assist in developing policies and strategies with a thrust on self-regulation and market principles, within the overall framework of the Energy Conservation Act, 2001 with primary objective of reducing energy intensity of Indian Economy.

BEE invites sealed bids from Software Organizations for On-line Monitoring and Management. The developed software will be an E-Governance Application for BEE Standards and Labeling Programme of equipments / appliances. The E-Governance application software for BEE standards and labeling must be based on web based architecture. It should be based on either .NET or J2EE based architecture.

The information, specifications, Bidding document etc. can be downloaded from BEE website www.bee-india.nic.in and must reach by 3.00 PM by 13th June, 2008 at the following address:-

Secretary
